#Lobby

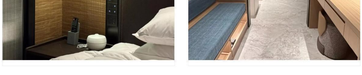

With masterful ingenuity in spatial design, it perfectly integrates modern aesthetics with the rich cultural heritage of Yongkang, creating a captivating and immersive ambiance. From the rustic yet refined metal accents adorning the furniture edges to the gracefully flowing lines reminiscent of a traditional landscape painting, every detail embodies artistry and sophistication.

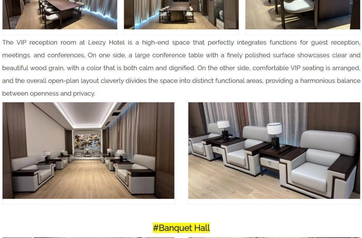

#Private Dining Room

30 luxurious private dining rooms have been thoughtfully designed to meet the diverse needs of guests. Whether for business banquets, family gatherings, or social events with friends, there is a perfect space for every occasion. The metal accents on the tables and chairs incorporate local cultural elements and undergo a special treatment, radiating a distinctive metallic luster that highlights a rich cultural heritage.

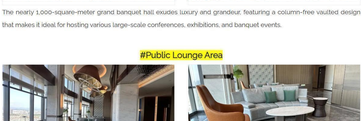

#Restaurant

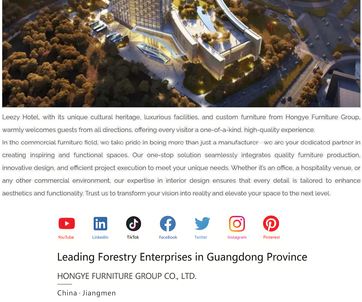

The layout of the restaurant tables and chairs is thoughtfully arranged, creating a balanced atmosphere. Under the warm yellow lighting, a cozy and inviting ambiance is cultivated, filling the entire space with a lively and welcoming energy.

#Guest Bedrooms

The hotel features 280 rooms, including suites, executive rooms, deluxe business rooms, family rooms, and accessible rooms. The rooms are elegant yet refined, skillfully incorporating the design concept of "metal as the imprint, landscapes as the painting," showcasing a perfect blend of culture and fashion. The design aims to create a comfortable and restful space for guests to unwind.

#VIP reception room

The VIP reception room at Leezy Hotel is a high-end space that perfectly integrates functions for guest reception, meetings, and conferences. On one side, a large conference table with a finely polished surface showcases clear and beautiful wood grain, with a color that is both calm and dignified. On the other side, comfortable VIP seating is arranged, and the overall open-plan layout cleverly divides the space into distinct functional areas, providing a harmonious balance between openness and privacy.

#Banquet Hall

The nearly 1,000-square-meter grand banquet hall exudes luxury and grandeur, featuring a column-free vaulted design that makes it ideal for hosting various large-scale conferences, exhibitions, and banquet events.

#Public Lounge Area

Distinct groups of unique sofa seating arrangements form a comfortable and inviting space, perfectly catering to guests' needs for relaxation, socializing, and casual conversations.
